

## Host Matching Program

The Host  
Program  
matches newly  
arrived refugees  
with Canadians  
who volunteer  
as hosts to  
provide  
friendship in the  
form of  
emotional and  
social support  
to refugees  
during the time  
they are  
adapting to life  
in Canada.

## Mission Statement

- We welcome all without bias.  
Our relationships are based on mutual trust and respect
  - We support equitable treatment of all persons and embrace cross cultural differences
- 

## Objectives

- To ease the transition for newcomers
- Provide family time between hosts and refugees
- Introduce refugees to Canadian culture

We Provide training  
sessions and  
orientation to  
explain the roles and  
responsibilities for  
host families and  
refugees

## Outcomes

- Refugees will be connected with main stream community
- Refugees psychosocial needs will be addressed
- Refugee families will be closely exposed to Canadian culture and values
- The host families will become aware about refugee needs
